# The National Strategy

ONDCP presents the National Drug Control Strategy to the Nation as a guide for next steps and a call to continued action by the thousands of families, individuals, and organizations that fight the negative effects of drug abuse in our communities.

## National Drug Control Strategy

The White House  
February 2007

**Preventing drug use before it starts**

**Intervening and healing those who  
already use drugs**

**Disrupting drug markets**

## Oklahoma National Guard Counterdrug Joint Task Force
