

### **3. POLICY POSITION**

#### **SUPPORT FOR RESEARCH AND DEVELOPMENT EFFORTS**

##### **RECOMMENDATION**

The Southern Legislative Conference of The Council of State Governments seeks to focus Conference attention on, and provide Conference support for, the necessary changes in public policy that enable and encourage our states and citizens to take full advantage of the changing needs of and results from research and technology.

Adopted by the Southern Legislative Conference of The Council of State Governments, July 22, 1997 Charleston, West Virginia.
